Thema PC-Lint licenses now available

Dear colleagues,
yesterday the final delivery for PC-Lin V9.0 took place. The installation media now is available on the
following share:

\\rbgs477a.cw01.contiwan.com\did01553\Installation_Media\Gimpel\V9_0

The license document is available in the sub-folder 'license_documents'. Please note that there is no real
license file for PC-Lint.

Fell free to distribute this information to whom it concerns .

Mit den besten Gruessen/Best regards,

Juergen Sammet
